

Name Change Only- Dwelling is already on property

Rental agreement

911 address

If this is family property proper documentation is required stating that you have access to property and allowed to move in- anything in writing by owner stating you are allowed in dwelling (will, deed, or a documentation with owner's signature saying you have access to the dwelling and notarized)

For 911 address, you can call the Sheriff's Sub Station @ 394-2800 and have them fax a copy to 845-4377

If electricity has been turned off, the residence will need to be inspected once the electricity has been restored, customer needs to call Building Code Inspection Services, LLC @ 886-6069 for inspection

If there is a gas meter, the customer needs to contact gas company and they will determine whether a permit is needed at that time.

**Note- Fill out the correct form that applies to which utility company you need
